**CHAPTER 449**

AN ACT to amend 348.05 (2) (k) of the statutes, relating to width of vehicles hauling loads of veneer logs.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

348.05 (2) (k) of the statutes is amended to read:

348.05 (2) (k) 9 feet for loads of tie logs, \* \* \* tie slabs *and veneer logs*, provided that no part of the load shall extend more than 6 inches beyond the fender line on the left side of the vehicle or extend more than 10 inches beyond the fender line on the right side of the vehicle. The term "fender line" as used herein means as defined in s. 348.09. This paragraph shall not be applicable to transport on highways designated as parts of the national system of interstate and defense highways pursuant to s. 84.29. The exemptions provided by this paragraph shall apply only to single and tandem axle trucks.

Approved December 26, 1963.
